**Lunenburg Veterans Memorial Park
Memorial Brick Walkway**

In 2009, the Town of Lunenburg authorized an Eagle Scout project for Tim Keir of Troop 1728 to rebuild the walkway at the Veterans Memorial Park. This was done with the help of many individuals and a brick paver walkway was created. Individuals or families purchased and had bricks engraved to honor Lunenburg citizens who served in the Armed Forces. The Town of Lunenburg would like to make this offer again. If you or a member of your family lived in Lunenburg and served in the Military at any time, and you would like to have a permanent marker honoring this, please complete this form and return it to the Town Clerk. The cost of \$30 includes the purchase of the brick, engraving and installation. All bricks purchased prior to October 1, 2014 will be installed in the walkway for Veterans Day, November 11, 2014. Please submit all forms and payment to Lunenburg Town Manager or Town Clerk.
